

Adjustable Stand

LIFT

PRODUCT NAME:
Height Adjustable Stand

PRODUCT CODE:
LIFT

CATEGORY:
STAND

PRODUCT DESCRIPTION

HEIGHT ADJUSTABLE STAND

The Height Adjustable Stand LIFT incorporates the components: projector, ceramic steel whiteboard, height adjustable mobile stand, which altogether allow obtaining higher levels of interest and attention in different contexts, such as presentations, meetings or classes and encouraging collaboration among colleagues.

Easy and functional, the Height Adjustable Stand LIFT allows full mobility and height adjustment of the whiteboard, without the need to adjust other equipment.

PRODUCT APPLICATION

The LIFT height-adjustable stand can integrate a LCD/LED screen or video projector or a whiteboard, and its height-adjustable solution makes it possible to reach higher levels of interest and attention depending on the context (presentation, meeting, class...), encouraging collaboration between participants.

KEY FEATURES

- Universal stand compatible with all IWB, VPI, and whiteboard in the market
- Mobile or wall mounted
- Integrated VESA mount for LCD
- High resistance with steel tube structure and epoxy powder coating
- Electric Height adjustable with remote
