

Mobile Tablet Cart

TAB_CART_30

PRODUCT NAME:

Tab Cart 30

PRODUCT CODE:

TAB_CART_30

CATEGORY:

MOBILE STORAGE

PRODUCT DESCRIPTION

MODULAR SAFE STORAGE

It's a perfect solution for schools, libraries, government... In other words, wherever the need of a secure mobile storage for recharging your tablet is real.

Enable storage up to 30 tablets with case and keyboard (up to 3cm wide 13").

PRODUCT APPLICATION

The Tab Cart 30 offers secure mobile storage and charging for up to 30 tablets (13" with cases). Featuring three sliding shelves, extra space for devices, and centralized charging with multiple outlets, it ensures efficiency. Enhanced with rubber protections and a 270° foldable door with a three-point lock for added security.

KEY FEATURES

- Ability to store up to 30x13 inches tablets
- Three sliding shelves for 10 tablets
- Extra storage space (for tablet, video projector, computer...)
- Centralized charging with power strip per tray and several independent additional outlets
- Several protections in rubber (cables guides, top surface, separations between tablets, doors bumpers...)
- 270° foldable door with three-point lock and magnetic mounting
